

Don't you owe your son  
this unforgettable experience?

Never in the world will your son (or daughter) recall any experience more vividly, with more excitement or enthusiasm, than that first airplane trip.

And American Airlines, first choice of experienced travelers, makes it all so easy. For example, your aircoach fare from Chicago to New York is only \$36.35 plus tax. Your child under 12 can travel with you for just half that amount and there's a Pay Later Plan to make *any* trip easy on your purse.

From the wonderful meals to the friendly, courteous attention of stewardesses trained at a unique stewardess college, every aspect of American service will delight you.

And remember, starting with Jet 707s and Jet-Prop Electras, American Airlines Flagships are famous the world over for speed, comfort and dependability.

For convenient schedules to 77 major U. S. cities, call your Travel Agent or call American directly.
